The Associated Press has won more Pulitzer Prizes than any other news agency, and is the most credible source for non-biased reporting. Founded in 1848, the AP is the oldest and largest news organization in the world, and is an important part of modern-day world history, serving more than one billion people each day.

Enhanced Searching Features

Historical Images (tab located under the More Media Icon on top left of page.)
Search through thousands of historical images giving a first hand impression of history through the photographer's lens.

Advanced Searching (located to the right of the search bar)
Allows users to easily search specific dates, decades, photographers and locations with a click of the mouse.

Event Calendar (located under the Images icon on the top left of the page)
We've created a new tool to help you plan ahead! The AP Images Event Calendar visually displays significant events each month, from celebrity birthdays to key dates in history. Click on an image to reveal a group of linked photographs put together by AP's photo researchers that illustrates the featured event.

Safe Searching
AP Images keeps you in a safe searching environment – no links to unknown, virus prone, inappropriate content.

Reputable Content
All content primary sources, full captioned and licensed for educational use.
